PREP begins: Wednesday, September 14, 2022- March 29, 2023

June 2022

Dear Parents/Guardians,

Studies show that the most significant predictor of whether a child will continue to practice their faith as an adult is the faith commitment *of the parents!* This faith, which will help them through life's difficulties and lead them to eternal life in Heaven, is based on your own practice of the faith. Our goal here at PREP is to support the family's faith journey and expand your relationship with Jesus Christ!

Grades 1-7 Options

1) Traditional Weekly Option: This traditional option for grades 1-7 continues to assist parents by recruiting volunteer catechists to help form your child's faith in a traditional classroom setting. Weekly attendance by the student is mandatory. We will have one session Wednesday from 4:45-6:15 pm. We can only provide this in-school option **with the generosity and commitment of VOLUNTEERS!** Classes will be on a first-come basis and cannot be guaranteed without volunteer catechists.

2) Family Faith Formation Home Study Grades 3-6 only. If choosing this option requires.

Family Faith Formation families come together four times a year for evaluation, enrichment, and spiritual gatherings. More information and dates, times, and topics are to be announced.

Online classes should be worked on each week. The progress and assessments of each lesson are managed and viewed by the PREP office. Completion of each grade is necessary to move on to the next grade or reception of the Sacraments. Registration is required, and forms are available at <https://www.stjwchurch.org/prep>.

Working together, we will help you build upon what you are already doing and help you practice your faith as a family.
