

How ShopWithScrip.com works.....

- After you ShopWithScrip.com order is submitted, you can pay by check (payable to St. Joseph the Worker) or debit your checking account with Presto Pay (see website for details on setting up this feature) for a nominal fee (currently 15¢).
- Print a copy of your order confirmation and write on it where and when you would like to pick up your order. Orders greater than \$400 will not be sent home in the VIP folders.
- Place your order confirmation and check (if not paid by Presto Pay) in a plain envelope marked "Helping Hands/Shop With Scrip." *Please note that you cannot combine payment for SWS and regular HH purchases. We require separate checks.*
- SWS Payments and confirmation sheets must be submitted to any HH seller by the end of the 11:30 Mass each Sunday. Watch the bulletin and school newsletter for the dates SWS won't be available.
- Orders are available for pick up on the Friday after the order is due from 11:00 - 1:00 in the Rectory basement or before or after all Masses that weekend.

ShopWithScrip.com Tuition credit calculations.....

- Each store offers a specific rebate percentage which you share with Helping Hands. You will receive 85% of the gift card rebate. For example, Wegmans offers a 5% rebate. If you order \$100 of Wegmans, the rebate is \$5.00. Helping Hands keeps 15% (75¢), and you get the remaining 85% (\$4.25) as a tuition credit. Rebates come automatically to St. Joseph the Worker Church and your tuition account, the Angel Fund or Parish Fund is credited.
- If you would like us to walk you through the registration process, we are available to help. Just call or email Sara Miller.
